KOPENHAGEN FUR

At the center of the international fur trade is Kopenhagen Fur. An exclusive, well-established luxury brand as well as the largest fur auction house in the world. Owned by Danish fur breeders, Kopenhagen Fur is the leading provider of fur, recognized for its exceptional quality.
Decades of experience and the volume of fur skins have led to Kopenhagen Fur's reputation as the only auction house in the world capable of the fine grading and labeling system that ensures the ultimate in high quality.

As a leading provider of fur skins, Kopenhagen Fur strives to be the best in all aspects of its business. This is balanced by a serious stance on Corporate Social Responsibility. Kopenhagen Fur supports a variety of social projects in the Third World, as well as numerous initiatives related to our associates, suppliers and customers. Kopenhagen Fur is also a strong advocate of animal welfare and goes to great lengths to ensure the health and wellbeing of animals.

GLOBAL FUR LOGISTICS

THE BEST-IN-CLASS TRANSPORT AND LOGISTICS SOLUTION FOR YOUR SKINS!

Global Fur Logistics is a full-scale solution for you and your future needs, whether these are in Europe, China, Hong Kong, South-East Asia, Russia or other destination.

Global Fur Logistics is a solution established by Kopenhagen Fur and Damco, which delivers a world-class service based on the highest standards in the fur industry. It is run by an experienced, professional and dedicated team.

YOUR BENEFITS

- Logistics set-up fully integrated with Kopenhagen Fur release processes
- Professional Supply Chain organizations in Denmark and China
- Transparent and customs compliant set-up for entry of skins globally
- Complete traceability of skins through transport when shipped with Global Fur Logistics
- Partnership with only A-CLASS airfreight carriers
- Skins packed in vacuum packaging for humidity conservation during transport
- Safety first — your skins are kept at the best possible conditions
- We take care of your skins all the way!

SHIPMENT TO COLD STORAGE IN BEIJING, TONGERPU AND CAMBODIA

With Kopenhagen Fur cold storage warehouses, we can deliver skins faster and release the skins closer to dressing in China and Cambodia.

YOUR BENEFITS:

- Flexible solution — You can choose a dressing plant and apply for a landing permit after the skins arrive at a warehouse in China
- You have free choice of trading agent and dressing plant, just as now. You can use the same trading agents and dressing plants as you work with already, or use Kopenhagen Fur's recommended partners.
- You can transfer unpaid skins to a cold storage warehouse in China and Cambodia
- Skins will be ready for dressing in China and Cambodia — just in time:
  - Transfer large shipments from Kopenhagen Fur to cold storage before making full payment
  - Pay only for the skins you need and send small shipments from cold storage to a dressing plant
- Get your skins out from cold storage in China and Cambodia in just 48 hours from skins are released from Kopenhagen Fur
- Your skins are kept under the same high conditions as in the Danish warehouse.
- Free Storage for 90 days from prompt day

Freight rates (Total Delivery Rate (TDR)) will be published before each auction and shall apply until prompt day.

SHIPMENT TO AIRPORT ONLY

Global Fur Logistics also offers service to destination airports only. We are pleased to offer very attractive rates and flexible solutions based on A-CLASS airfreight carriers.

YOUR BENEFITS:

- Blocked space guarantee on selected airlines
- Fast release and shipment upon payment - fully integrated with Kopenhagen Fur release processes
- Experienced service to various destinations, including:
  - Mainland China
  - Hong Kong
  - Cambodia
  - Vietnam
  - Thailand
  - Malaysia
  - Japan
  - Korea
  - Europe
  - USA and Canada

Transportation and storage of the skins shall be subject to NSAB 2015 (General Conditions of the Nordic Association of Freight Forwarders). However, the passing of risk (risk of accidental destruction) shall take place on FCA Terms at Kopenhagen Fur's place (Glostrup in Denmark) in accordance with Kopenhagen Fur's conditions of sale.
