April auction

Exchange rate DKK 100 = USD 21.14

The third day of the auction was opened with an offering of Black mink. Black males were sold at firm prices, whereas the price of Velvet males rose 2%. Black females were also sold at firm prices.

The offering of Brown Cross males and females was sold in strong competition at rising prices of 6% and 9% respectively. Palomino Cross males could not quite maintain the February level and the price fell 5%. Palomino Cross females were in strong demand and the price rose as much as 10%. Pearl Cross mink was sold in line with Palomino Cross. Sapphire males fetched 10% and females as much as 12%.
